*4 Matters arising from 14 November minutes*

Parish Projects

The meeting agreed that the cathedral will support two parish projects in the next three years:

- **Street Pastors – ecumenical teams of Christians working together on the streets to show directly the presence and love of Christ in their community**
- **The Wells, Centre for Spirituality – the specific purpose is the use of The Wells as a place of prayer and spirituality by individuals and groups**

It was also agreed that Barbara Rusbridge will be the CPC link between The Wells and the CPC whilst Rachel Mostyn will be the CPC link between Street Pastors and the CPC.

A meeting is being organized to put in place a format of how the project coordinators will speak at all Masses on a Sunday.

Welfare Group

Fr Cavan gave a brief update on the activities of the group, informing the meeting that there is plenty of scope and there is also plenty to do; they are also working as a group to identify the abilities of existing members. Fr Cavan is always seeking out new members and is encouraged at the enthusiasm of parishioners whenever he talks to them.

Canon Bosco and Fr Cavan are going to discuss to see how the bereavement council and the welfare group can work more closely in the future.

Due to the success of the healing mass that was recently conducted, it was discussed that the cathedral would look to put on more, say, three to four times a year.

*4 Year of Mission*

Copies of the current booklet were given to each member of the CPC for them to read and comment at the next meeting. Copies have been left in the sacristy for CPC members who were not in attendance.

The meeting was also informed that visual impacts will be put around the cathedral to celebrate the year of mission.

*5 AOB*

It was decided that Mary Manners will purchase a new lightweight wheelchair which will be placed at the back of the cathedral.

The meeting was updated on the heating system.

*6 Date of Next meetings*

10 April 2018; 3 July 2018.
